Education

• Bachelor of Computer Science and AI

2022 – Expected 2026

Faculty of Computers and AI, Cairo University, Giza, Egypt

GPA: 3.32

Relevant Courses: Fundamentals of Computer Science, Structured Programming, Object Oriented Programming, Data Structures, Algorithms, Operating Systems, Software Engineering, Advanced Software Engineering, Web Design, Database Management, Data Warehouses, Computer Networks Technology, Technical Report Writing, Intro. to Operations Research and Decision Support, Discrete Mathematics, Calculus I and II, Applied Linear Algebra, Probability and Statistics I and II, Logic Design.

Projects

• El-Mawsu3a Online Library

Python, Django, AJAX

- Developed an online platform for book rentals with user/admin registration, cart management, and dynamic book browsing.
- Handled front-end integration and AJAX-based asynchronous interactions.

• Learning Management System (LMS)

Java, Spring Boot, REST API, Spring Security

- Developed a web-based LMS supporting Admin, Instructor, and Student roles for managing courses, users, and assessments.
- Implemented attendance tracking via OTP, performance analytics, and Excel report generation with chart visualizations.
- Built secure RESTful services and used Spring Security for role-based access and email-based notifications.

• CPU Scheduling Simulator (GUI)

Java, JavaFX

- Created a desktop tool to simulate various CPU scheduling algorithms (e.g., FCFS, Round Robin).
- Designed real-time GUI visualizations for execution order and performance comparison.

• Banking Data Warehouse Automation

SSIS, SQL, Visual Studio

- Built an automated ETL pipeline using SSIS to extract and integrate banking data into a warehouse.
- Scheduled and deployed SSIS packages for regular operation and data synchronization.

Skills

- **Technical Skills:** C++ (strong), Java, Python, HTML, CSS, JS, Laravel (basic), SQL, SSIS (ETL & DWH), Spring Boot, JavaFX, AJAX, VS Code, CLion, Git, GitHub
- **Soft Skills:** Teamwork, Adaptability, Problem Solving
- **Languages:** Arabic (Native), English (Fluent)
